

2026

IEP Workshop Call for Art

The 2026 IEP Workshop wants to display your artistic talents! We are accepting proposals for ecologically-themed artwork. In addition to the display of physical artworks, such as paintings and sculpture, we will also have a slideshow this year to give attendees a chance to show off their nature photos and other digital art.

We will display your art at the CNRA building for attendees to view as they move between the 1st and 2nd floor meeting spaces. As the art will be displayed in areas accessible to the public, the IEP and CNRA can make no guarantees as to its safety and security.

If you are interested, please submit your proposal by filling out [this form](#), also accessible via the QR code:

Questions may be directed to Katie Osborn (Katherine.Osborn@water.ca.gov) and Brian Schreier (Brian.Schreier@water.ca.gov).

The deadline for proposals is Friday, January 16, 2026.
