Receive updates on state and federal legislation and regulatory activity, and consider providing direction to staff on potential actions.

Summary of Previous/Future Actions (N/A)**Background**

Commission staff has identified state legislation that may affect the Commission's resources and workload, or may be of interest to commissioners, and provides the status of those bills during this legislative session as of January 28, 2026. The Department has provided a report on bills it is tracking during the second half of the 2025-26 two-year legislative session (Exhibit 1).

At any meeting, the Commission may direct staff to provide information to, or share concerns with, bill authors. Today is an opportunity for the Commission to provide direction to staff concerning proposed state or federal legislation.

Legislative Calendar Highlights

Both houses of the California State Legislature returned from an interim study recess on January 5 for the second half of session. Other calendar highlights include:

- January 1, 2026: Most statutory changes from the first half of session took effect
- February 16: Presidents' Day
- February 20: Last day for bills to be introduced
- March 26: Spring recess begins
- March 30: César Chávez Day observed by the legislature (note that March 31 is a holiday for state agencies)
- April 6: Legislature reconvenes from spring recess
- April 24: Last day for policy committees to hear and report to fiscal committees fiscal bills introduced in their house
- May 1: Last day for policy committees to hear and report to the floor non-fiscal bills introduced in their house

Bills Introduced During the 2025-2026 Session

February 2026

(As of January 28, 2026)

[AB 35](#)

([Alvarez](#) D) Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024: Administrative Procedure Act: exemption: program guidelines and selection criteria.

Status: 1/27/2026-In Senate. Read first time. To Com. on RLS. for assignment.

Memo

The Administrative Procedure Act outlines how state agencies should adopt and implement regulations. The Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024, passed as Proposition 4, approved issuing \$10 billion in bonds for various environmental and agricultural projects. Typically, regulations required for such programs can be adopted as emergency regulations, needing to be filed with the Office of Administrative Law. However, this bill exempts the adoption of regulations for these programs from the Administrative Procedure Act. Instead, state entities receiving funding must develop draft project guidelines and submit them to the Secretary of the Natural Resources Agency, who will post them online. The bill permits the use of existing guidelines and criteria and is set to take effect immediately as an urgency statute.

([Bryan](#) D) Natural resources: equitable outdoor access: 30x30 goal: urban nature-based projects.

Status: 1/27/2026-In Senate. Read first time. To Com. on RLS. for assignment.

Memo

This bill would direct state funding agencies, including the Wildlife Conservation Board (WCB), to allow for urban nature-based projects on degraded lands to be eligible and competitive for state funds. The January 5 amendments replace the entirety of the previous language, which was related to Section 27771 of the Government Code regarding Chief Probation Officer and Designee.

[AB 1382](#)

([Castillo](#) R) Ethics Over Aesthetics Act.

Status: 1/16/2026-Read second time. Ordered to third reading.

Memo

The bill would prohibit the for-profit importation, sale, or offering for sale of genetically modified pet animals when the genetic modification is made primarily for cosmetic or aesthetic purposes rather than the animal's health or welfare. Violations would be subject to civil penalties of at least \$5,000 per animal, with each unlawfully sold or offered animal constituting a separate offense. Overall, the measure is intended to address ethical and animal welfare concerns associated with "designer" or novelty pets created through cosmetic genetic engineering. The January 5, 2026 amendments add definitions for transgenic trait and transgenic pet animal,

among other things.

SB 575

(Laird D) California Sea Otter Voluntary Tax Contribution Fund.

Status: 1/26/2026-Read third time. Passed. (Ayes 39. Noes 0.) Ordered to the Assembly. In Assembly. Read first time. Held at Desk.
