

Ice Breaker Bingo Instructions

Hi everyone! Welcome to the IEP workshop! Please enjoy the ice breaker activity by asking people around you if they do any of the activities listed. There are three versions of bingo sheets. Only choose one to fill out. Only one person can count for each box. For example, if someone works for a state agency and rock climbs, it's only one box. Please talk to people you have not met before! The first person to mark four boxes in a row in any direction wins. Please come see the check-in desk for your prize.
