

Staff Summary for April 15-16, 2026

24. Non-Regulatory Requests from Previous Meetings (Wildlife and Inland Fisheries)**Today's Item**Information Action

Consider and potentially act on non-regulatory requests (requests for action that do not require a regulation change) received from members of the public at previous meetings.

Summary of Previous/Future Actions

- Commission received requests February 11-12, 2026
- **Today's potential actions on requests April 15-16, 2026**

Background

Requests for non-regulatory action are received from members of the public under general public comment. All non-regulatory requests follow a two-meeting cycle to ensure proper review through consideration of each item. All requests received in writing or public testimony during general public comment at the previous Commission meeting are scheduled for consideration at the next meeting. Referred non-regulatory requests are scheduled for action once the evaluation is completed and a recommendation is made.

There is one non-regulatory request scheduled for potential action today. Exhibit 1 provides a summary of the request, staff recommendation, and rationale, developed with input from Department staff.

Significant Public Comments (N/A)**Recommendation (N/A)**

Commission staff: Adopt the staff recommendation for non-regulatory requests as reflected in Exhibit 1.

Exhibits

1. [Summary of non-regulatory request and staff recommendation](#) for wildlife and inland fisheries request scheduled for action, updated April 7, 2026

Motion

Moved by _____ and seconded by _____ that the Commission adopts the staff recommendations for non-regulatory requests as reflected in Exhibit 1.

**California Fish and Game Commission
Non-Regulatory Requests for Action — Updated April 7, 2026**

Commission - California Fish and Game Commission Department - California Department of Fish and Wildlife
WRC - Wildlife Resources Committee MRC - Marine Resources Committee

Date Received	Name of Requestor	Subject of Request	Short Description	Category	FGC Receipt Scheduled	FGC Initial Action Scheduled	Initial Staff Recommendation
1/21/2026	Robert Burton	Wolf Management Plan	Requests that the Commission and Department revise the wolf management plan to require the use of livestock guardian dogs as a prerequisite for lethal control measures; and expand state compensation programs to cover 100% of the verified market value of any guardian dog killed by a predator, in addition to compensation for livestock losses.	Wildlife	2/11-12/2026	4/15-16/2026	The wolf management plan is developed and implemented by CDFW. Funding and expansion of the compensation program is facilitated by the state legislature. No action recommended.
