California Fish and Game Commission Notice of Findings of Candidacy

Bendire's Thrasher (*Toxostoma bendirei*)
and LeConte's Thrasher (*Toxostoma lecontei*)

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2074.2 of the California Fish and Game Code (Fish and Game Code), the California Fish and Game Commission (Commission), at its April 15-16, 2026 meeting, accepted for consideration the petition submitted to list Bendire's thrasher (*Toxostoma bendirei*) and LeConte's thrasher (*Toxostoma lecontei*) as a threatened or endangered species under the California Endangered Species Act.

Pursuant to subdivision (e)(2) of Section 2074.2 of the Fish and Game Code, the Commission determined that the amount of information contained in the petition, when considered in light of the California Department of Fish and Wildlife (Department) written evaluation reports, the comments received, and the remainder of the administrative record, would lead a reasonable person to conclude there is a substantial possibility the requested listings could occur.

Based on its determination and acceptance of the petition, the Commission is also providing notice that Bendire's thrasher and LeConte's thrasher are candidate species as defined by Section 2068 of the Fish and Game Code.

Within one year of the date of publication of this notice of findings, the Department shall submit a written report, pursuant to Section 2074.6 of the Fish and Game Code, indicating whether the petitioned actions are warranted. Copies of the petition and minutes of the April 15-16, 2026 Commission meeting are on file and available for public review on the Commission's website at fgc.ca.gov. If you would prefer to view the documents at the Commission's office, please make an appointment by phone at (916) 653-4899 or by sending an email to fgc@fgc.ca.gov.

Written comments or data related to the petitioned actions should be directed to the California Department of Fish and Wildlife, Wildlife Diversity Program, Attn: CESA and Scientific Collecting Permit Supervisor, Neil Clipperton, via email at wildlifemgt@wildlife.ca.gov with "Bendire's Thrasher" and/or "LeConte's Thrasher" in the subject line. Alternatively, comments or data may be submitted by mail to P.O. Box 944209, Sacramento, CA 94244-2090. Submitting information via email is preferred.

April 29, 2026
