

CDFW Project Consultation

Project Name:

CDFW Reviewer:

Date Reviewed:

1. Is the habitat, ecosystems service, species benefits, or other improvements this project addresses compatible with CDFW's priorities for the region?
2. Is the project's approach methodologically sound?
3. Are there any issues which may prevent the project from successfully meeting its stated goals?
4. Can CDFW recommend this project for approval?
If your answer is no, please list specific improvements to the project that would mitigate CDFW's concerns.
