The conveyance listed above is quarantined under California Fish and Game Code section 2301 and California Code of Regulations, title 14, section 672.1 because it has been determined by the department, or other state agency granted quarantine authority, to have the potential to spread ~~dreissenid~~ invasive mussels. Failure to comply with this quarantine is subject to an administrative penalty of up to \$1,000.

This conveyance must be transported directly to the quarantine location identified above and remain out of water until released from quarantine by the department. Seal(s) affixed to this conveyance shall not be tampered with nor removed unless directed by department staff. It is the responsibility of the owner to contact the department to arrange for reinspection and release of this quarantine. Department contacts can be found on the Department's ~~Quagga and Zebra Mussel~~ Invasive Species Program webpage or by calling 866-440-9530.

Drivers and agents note: This notice must remain with this conveyance and be given to the owner upon delivery.

I, \_\_\_\_\_, **HEREBY AGREE TO COMPLY WITH THE ABOVE INSTRUCTIONS AND ANY ADDITIONAL INSTRUCTIONS GIVEN BY THE ISSUING INSPECTOR.**
