[1] Fish and Game Code Section 3953(e) An advisory committee, as determined by the department, that includes interested nonprofit organizations that have goals and objectives directly related to the management and conservation of big game species and primarily represent the interests of persons licensed pursuant to Section 3031 shall review and provide comments to the department on all proposed projects funded from the Big Game Management Account to help ensure that the requirements of this section are met. The department shall post budget information and a brief description on an internet website for all projects funded from the Big Game Management Account.
