Before you start your application please read below.

- 1) Special use permits applications for drone use that are not associated with research coordinated in conjunction with CDFW are unlikely to be accepted. First responders and enforcement contact CDFW to be connected with regional property managers.
- 2) If this is the first time submitting an event, before moving forward with this application, please contact the management at the property to make sure the proposed event is a compatible use and will be accepted.
- 3) If you have any questions or require additional information, please email CDFW Lands Program at: LandsProgram@wildlife.ca.gov
