7. General Public Comment**Today's Item****Information** ☒**Action** ☐

Receive public comment regarding topics that are not included on today's agenda.

Summary of Previous/Future Action (N/A)**Background**

This item is to provide the public an opportunity to address the Wildlife Resources Committee (WRC) on topics not on the agenda. Staff may include written materials and comments received prior to the meeting as exhibits in the meeting binder (if received by the written comment deadline), or as supplemental comments at the meeting (if received by the supplemental comment deadline). However, pursuant to California Government Code, sections 11125 and 11125.7(a), the Committee may not discuss or take action on any matter raised during this item, except to consider whether to recommend that the Commission schedule the matter for consideration at a future meeting.

WRC receives two types of correspondence or comment under general public comment: informational items and requests for WRC to consider new topics. As a general rule, requests for regulation changes must be submitted to the Commission on form FGC 1, "Petition to the California Fish and Game Commission for Regulation Change." However, WRC may, at its discretion, request staff to follow up on items of potential interest for possible recommendation to the Commission.

Significant Public Comments (N/A)**Recommendation**

Staff recommends any potential new agenda items — based on issues raised today — be discussed under Agenda Item 8, *Future Agenda Items*.
