California Natural Resources Agency Building

OPEN CALL FOR ABSTRACTS COMING MID-SEPTEMBER!

Save the Dates: March 2 – 4, 2027

Venue: [California Natural Resources Agency Auditorium](#)

Cost: Free (registration required). Registration opens Feb 2027

Join us for the Interagency Ecological Program's Annual Workshop.

This is a free, hybrid event where IEP member agencies and partners share their research findings from ongoing monitoring programs and research studies being conducted in the San Francisco Estuary. The annual event also fosters collaboration and helps members build partnerships across the Bay-Delta science community.

To receive updates, [subscribe to the IEP Workshop listserv](#).

More information will be posted on the [Annual IEP Workshop](#) page.

Contact Adam Nanninga (adam_nanninga@fws.gov) and Christine Joab (iep@wildlife.ca.gov) with your questions.
