

**California Marine Life Protection Act Initiative  
Planned Science Presentations to Inform Decision-Making  
*Revised December 12, 2005***

Please note that the unit numbers used below are numbered for ease of reference and do not indicate a preference.

**Unit 1 – Ecosystems and Ecosystem Services** (presented July 12, 2005 to the BRTF and September 7, 2005 to the CCRSG)

**Unit 2 – Use of Economic Data for the Design and Evaluation of MPAs** (presented July 12, 2005 to the BRTF and September 7, 2005 to the CCRSG)

**Unit 3 – Marine Habitats** (presented July 12, 2005 to the BRTF and September 7, 2005 to the CCRSG)

**Unit 4 – Population Persistence or The Importance of Big, Old Rockfish** (presented September 28, 2005 to the BRTF and October 5, 2005 to the CCRSG)

**Unit 5 – Larval Dispersal and Recruitment** (presented September 28, 2005 to the BRTF and October 5, 2005 to the CCRSG)

**Unit 6 – Adult Movement and Neighborhoods** (presented September 28, 2005 to the BRTF and October 5, 2005 to the CCRSG)

**Unit 7 – Consumptive and Non-Consumptive Uses in the Central Coast Region** (no presentation scheduled)

**Unit 8 – MPA and Network Design** (presented November 29, 2005 to the BRTF and December 6, 2005 to the CCRSG)

**Unit 9 – Monitoring and Evaluation** (draft in progress)

**Unit 10 – Water Quality** (presented November 30, 2005 to the BRTF)
