

Memorandum

: Elton Bailey

Date : June 28, 1983

REF 90518

From : Department of Fish and Game - Special Rivers Fisheries Investigations

Subject: Bull Creek, Humboldt County, Salmon Spawning Stock Survey 1982

File
A salmon spawning stock survey of Bull Creek, tributary to the South Fork Eel River, was conducted on 27 November 1982. The survey section extended from the mouth of Panther Creek downstream for 1.5 miles.

No live fish, carcasses, or skeletons were observed.
