

# Memorandum

REF 90522

To : Elton Bailey

Date : June 28, 1983

From : Department of Fish and Game - Special Rivers Fisheries Investigations

Subject: Mill Creek, Humboldt County, Salmon Spawning Stock Survey 1983

*file*  
A salmon spawning stock survey of Mill Creek, tributary to Bull Creek tributary to the South Fork of the Eel River, was conducted on 10 January 1983. The survey section extended from the mouth to one mile upstream.

No live fish, carcasses or skeletons were observed.
