<u>Stream</u>	<u>Reach Surveyed</u>	<u>Notes</u>
Bluff Bluff Bluff Bluff	Wright's to Mouth Dragon to Wright's Fish Cr. To Dragon Louse Camp to Fish Cr.	
Camp Camp Camp Camp	Hatchery to Mouth Third Cr. To Hatchery Head Camp to Third Cr. Barrier to Head Camp	
Clear Clear Clear Clear Clear	Slippery Ck to mouth Tenmile Ck to Slippery Ck Bear Pen to Tenmile Ck West Fork to Bear Pen Wilderness Falls to West Fork	Observed 1 dead half pounder with fuzz Saw a few big resident steelhead
Dillon	Mill Ck to Klamath R	Reach #2 Mainstem to cedar cr. 2 mortalities, Adult sthd. Were observed in two different holes. Both morts were female. The largest groups of STHD observed seemed to be hiding in pools that are cold due to small tribbs creating cold water refugia.
Dillon	NF Trail to Mill Ck	
Dillon Dillon Copper	Vann Ck to NF Trail Copper Ck to NF Dillon 1.0 mi. of Copper Ck to MS Dillon	Saw 3 Adult STHD above Medicine Cr.
Elk Elk	5 mile bridge to pumping station Twins to 5 Mile Bridge	coho and chinook Juvenile seen throughout reach coho and chinook Juvenile seen throughout reach
Elk	11 mile bridge to Twins	Fish were scattered thru the reach, except 1 pool that had 13 1/2 lbers and 10 adults located 1/2 mile above twins Cr. Also saw a Chinook Jack about 1 mile above twins cr.
Elk Elk	Bear Ck to 11 mile bridge Hummingbird Ck to Bear Ck	Most of the fish observed were under rocks at the head of pools and in the riffles. Observed one of the half pounders with it's tail completely gone. Thousands of large 2+ sthd. Hundreds of 6 inch + resident STHD, no coho or chinook juvenile

<u>Stream</u>	<u>Reach Surveyed</u>	<u>Notes</u>
Grider Grider Grider	No Name to mouth Bark Shanty to No Name Rancheria to Bark Shanty	Saw 1st coho yoy a few pools above bridge 46n66 Hundreds of Chinook fry throughout reach. Hundreds of STHD throughout reach.
Red Cap Red Cap Red Cap Red Cap	Larsen's to Mouth 10N02 Bridge to Larsen's Schnable to 10N02 Bridge Red Cap Central to Schnable	
Wooley	Gates to mouth	
Wooley	Bridge to Gates	Chinook Juvenile from the very start of reach.
Wooley Wooley Wooley Wooley	Hancock to Bridge NF to Hancock Big Meadows to NF Wooley Anthony Milne to Big Meadows Ck	Saw Approx. 40 1+ chinook along reach.
Thompson	2.0 mile to mouth	Juvenile chinook began to be seen 300ft above slide cr. Saw at least 100 total 100's of 3+ sthd 1000's of 2+ sthd 20-30 big ole residents
SF Indian	Tennessee Gulch to Mouth	
Independence	Mine to mouth	
SF Clear	Barrier to mouth
