Develop rulemaking								Nov	Dec												
Commission hearings and adoption											Feb		Apr								
Submission to OAL* (30 day)														May							
Implementation of regulations															Jun						

*OAL = Office of Administrative Law

¹ Draft regulations to reflect biennial review. Conduct biennial review and rule making in even numbered years.

² Start data collection and review following completion of principle fishing season.

³ Get adoption of regulations prior to the start of the primary fishing season and produce timely management of the resource.

⁴ Review schedule subject to change based on Commission adopted management approach.
