To All Interested Parties:

I am pleased to announce the availability of the Fisheries Restoration Grant Program's 2008 Proposal Solicitation Notice.

This year's Solicitation and Application Form are available on our web page at <http://www.dfg.ca.gov/fish/Administration/Grants/FRGP/index.asp>. We encourage you to download this Solicitation as a reference document to assure compliance with the Department of Fish and Game's proposal requirements. In this document, you will find information that will assist you in preparing and submitting proposals to this program. This document includes the deadlines and format required when submitting proposals, the process used by the Department of Fish and Game in evaluating the proposals, and prospective sources of funding for this grant program.

**In order to be considered for the 2008/2009 funding, proposals submitted by mail must have a U.S. POSTAL SERVICE POSTMARK no later than May 9, 2008. Proposals delivered by any other means (FEDEX, U.P.S., etc.), including hand delivery, must be delivered no later than May 9, 2008, at 3:00 p.m. to 830 S Street, Sacramento, California.**

We recognize the need to respond to questions and to help guide the preparation for sound restoration proposals. Attached you will find a list of regional restoration planning staff that can assist you. If you have questions regarding the solicitation process, please contact Kevin Shaffer at (916) 327-8841.

Sincerely,

Neil Manji, Chief Fisheries Branch
