Please allow 40 business days for processing applications. Incomplete applications will be returned and could delay the issuance of your registration. Contact the Department of Fish and Wildlife, License and Revenue Branch at (916) 928-5646 or SPU@wildlife.ca.gov, if you need additional information regarding aquaculture registration.

1. It is mandatory to complete all items.
2. Complete one application for each facility registered.
3. Sign and date the application.
4. Mail the application and a cashier’s check, money order, personal check, or credit card authorization form with the appropriate fee to the California Department of Fish and Wildlife (CDFW) Attention: License and Revenue Branch, PO Box 944209, Sacramento, CA 94244-2090.

FOR NEW APPLICANTS: A new aquaculture registration fee is required for each company registering its facilities, regardless of the number of locations. Please allow an additional 30 business days for inspection of your facility. The Department will contact you to schedule an inspection.

FOR RENEWAL APPLICANTS: Aquaculture registration fees are due on or before March 1ST of each calendar year. Renewal applications received after April 1ST of each calendar year are delinquent and a late fee will be assessed.

SURCHARGE: At renewal, registered aquaculturists with gross annual revenues greater than $25,000.00 during the previous calendar year are required to pay a surcharge in addition to the current year registration fee. Individuals who fail to pay the surcharge at the time of registration will be assessed a delinquency penalty in an amount equal to the surcharge.
