Domesticated Game Breeder's List

If you have stock available for sale to the public, please check the box on the renewal worksheet if you want the name of your business posted on the Department's website.

Deadline to Submit Report

Fish and Game Code (FGC) Section 3208 requires licensees to submit a Domesticated Game Breeder's Report Form to the Department **on or before January 31 of each year.**

If you renew your license early, or do not have any change in stock, or if you are not renewing your license, because you no longer possess domesticated

game birds or mammals, you are still required to complete and submit a Domesticated Game Breeder's Report Form to the Department on or before January 31, 2019.

Domesticated Game Bird Seals

Pursuant to FGC Section 3206, no domesticated game bird shall be transported or sold dead unless the carcass of each bird is tagged with a domesticated game breeder's tag or seal. The tag or seal shall not be removed until the carcass prepared for consumption. Domesticated game bird carcasses imported into the State pursuant to FGC Section 2401 are exempt from tagging requirements.

Game Defined

This permit is only for species of birds and mammals which are game in California. Game is defined in FGC Sections 3500 and 3950. The FGC is available at <https://leginfo.legislature.ca.gov/faces/codes.xhtml>.
