Other / Unknown	15
<b>Total</b>	<b>176</b>

<sup>+</sup>Includes unconfirmed but likely white sharks.

A shark incident is defined as any documented case where a shark approached and touched a person in the water or a person's surfboard, kayak, paddleboard, etc. This summary does not include shark sightings where no contact occurred, incidents where sharks approached boats, or cases where hooked sharks caused injury or damage.

\*As of July 2017. Some previously reported incidents removed.
