DEPARTMENT OF FISH AND WILDLIFE
LAKE AND STREAMBED ALTERATION PROGRAM

Information Regarding Extensions of Lake or Streambed Alteration Agreements

The holder of an agreement (“holder”) may request the Department of Fish and Wildlife (CDFW) to extend the term of a Lake or Streambed Alteration Agreement (“agreement”), provided the request is received by CDFW in writing prior to the agreement’s expiration. If the holder submits an extension request prior to the agreement’s expiration, the agreement may remain in effect until CDFW acts on the request or for one year after the agreement expires, whichever period is shorter. If the request is not received prior to the agreement’s expiration, CDFW will be unable to accept the request. In that case, the holder will need to notify CDFW in accordance with Fish and Game Code section 1602 or section 1611 and obtain a new agreement in order to begin or continue the work covered by the expired agreement.

The term of an agreement, whether regular (< 5 years) or long-term (> 5 years), may only be extended one time.

In order to request an extension, the holder shall complete and submit the attached Extension Request form, with the correct fee, to the [CDFW regional or field office](#) that serves the area where the project is located.

For more information on extensions, see Fish and Game Code section 1605.

Note: *If the agreement was issued by CDFW prior to January 1, 2004, extensions are governed by former Fish and Game Code section 1601(g) or 1603(g), pursuant to which CDFW may extend an agreement more than one time.*
