Habitat Management, Preservation, and Restoration Plan for the Suisun Marsh, Solano County, California

SCH Number: 2003112039

Type: NOP

Project Description

Develop and analyze a regional plan that would outline the actions necessary in Suisun Marsh to preserve and enhance managed seasonal wetlands, implement a comprehensive levee protection/improvement program, and protect ecosystem and drinking water quality, while restoring habitat for tidal marsh-dependent sensitive species, consistent with the California Bay-Delta Program's strategic goals and objectives.

Project Lead Agency

Fish & Game Commission
