**Proposal number: 2001-H202-1      Short Proposal Title: Tuolumne River WS Outreach and Stewardship**

**1a) Are the objectives and hypotheses clearly stated?**

.Yes-involve and educate the greatest number of people—reach out with written material.

**1b1) Does the conceptual model clearly explain the underlying basis for the proposed work?**

True public outreach-pure and simple.

**1b2) Is the approach well designed and appropriate for meeting the objectives of the project?**

Getting accurate info to all interested parties, conducting 40 meetings, etc. Again, simple and proven effective.

**1c1) Has the applicant justified the selection of research, pilot or demonstration project, or a full-scale implementation project?**

Information dissemination is a recognized tool for public outreach.

**1c2) Is the project likely to generate information that can be used to inform future decision making?**

The mapping effort will provide info for future decision making.

**2a) Are the monitoring and information assessment plans adequate to assess the outcome of the project?**

No monitoring of outreach efforts are planned.

**2b) Are data collection, data management, data analysis, and reporting plans well-described, scientifically sound and adequate to meet the proposed objectives?**

Map production, info dissemination seems adequate—will reach various components of the public.

**3) Is the proposed work likely to be technically feasible?**

Very feasible; use of well documented outreach efforts.

**4) Is the proposed project team qualified to efficiently and effectively implement the proposed project?**

One person on board with good outreach track record; another unknown to be hired.

**Miscellaneous comments**

SUMMARY—Simple project: produce map, distribute brochures, hold public meetings: recommend funding. Also seems to be a fair amount of cost share \$ (\$10K)
