

Geographic Review Panel 2 - Sacramento River/Butte Basin

Proposal number: 2001-I204
Project

Short Proposal Title: Watershed Education

- 1. Applicability to CALFED ERP Goals and Implementation Plan and CVPIA priorities, and relevance to ERP and CVPIA priorities for your region.** Direct applicable and relevant to CALFED and CVPIA goals.
- 2. Linkages/coordination with previously funded projects or other restoration activities in your region.** Linked with and incorporates Adopt-a-Watershed and other education efforts, Panel agrees with Staff review linking the project to multiple on-the-ground ecosystem restoration projects in the Butte Creek drainage.
- 3. Feasibility, especially the project's ability to move forward in a timely and successful manner.** Ongoing, demonstrated to be feasible by the applicant.
- 4. Qualifications of the applicants and others involved in implementing the proposed project.** Proven past performance.
- 5. Local involvement (including environmental compliance).**
It is a local project linked with other local projects in the region.
- 6. Cost.** Seems reasonable.
- 7. Cost sharing.** About 18 percent is available.
- 8. Additional comments.**

Regional Ranking

Panel Ranking: High

Provide a brief explanation of your ranking: Panel assigned a high rank to this proposal because of its high regional relevance and the successful past performance of the applicant. The proposal is well integrated with local community educational institutions from K through 12.
