

Geographic Review Panel 2 - Sacramento River/Butte Basin

Proposal number: 2001-I205 **Short Proposal Title:** IDG Films Bay-Delta Festival

- 1. Applicability to CALFED ERP Goals and Implementation Plan and CVPIA priorities, and relevance to ERP and CVPIA priorities for your region.** Panel agrees with Staff Review that states that the project is highly applicable to CALFED and CVPIA goals. The Traveling Film Festival portion of the proposal that brings the festival to this region is especially important for the region. The San Joaquin River Oral History Film portion of the proposal is not as applicable to the region, but is somewhat relevant due to the movement of water from the Sacramento River for use in the San Joaquin system.
- 2. Linkages/coordination with previously funded projects or other restoration activities in your region.** Continuation of previously funded project, brings an important message in a proven format to the local region.
- 3. Feasibility, especially the project's ability to move forward in a timely and successful manner.** Demonstrated success in previous efforts.
- 4. Qualifications of the applicants and others involved in implementing the proposed project.** Applicant demonstrated success in previous efforts.
- 5. Local involvement (including environmental compliance).** Product to be shown to public in this region.
- 6. Cost.** Reasonable.
- 7. Cost sharing.** \$2500 provided by the California Council for the Humanities.
- 8. Additional comments.** Project is timely given the advanced age of the witnesses to water development. Panel encourages similar future efforts in the Sacramento River system.

Regional Ranking

Panel Ranking: High

Provide a brief explanation of your ranking: Panel concurs with previous rankings and comments. The proposal is well thought out and helps document the CALFED process.
