

Geographic Review Panel 2 - Sacramento River/Butte Basin

Proposal number: 2001-I211 **Short Proposal Title:** Bay Delta Learning Initiative

- 1. Applicability to CALFED ERP Goals and Implementation Plan and CVPIA priorities, and relevance to ERP and CVPIA priorities for your region.** Applicable and relevant to the region, especially when materials developed as part of the project are made available in the region. Direct applicability and relevance is very clear in the proposal.
- 2. Linkages/coordination with previously funded projects or other restoration activities in your region.** Integrates well with other water-education efforts. Complements WEF Northern California tour.
- 3. Feasibility, especially the project's ability to move forward in a timely and successful manner.** Feasible and timely.
- 4. Qualifications of the applicants and others involved in implementing the proposed project.** Superior based on past performance.
- 5. Local involvement (including environmental compliance).** Inclusive and collaborative.
- 6. Cost.** Very reasonable.
- 7. Cost sharing.** Has a commitment for a matching 65 percent grant and other fund-raising activities.
- 8. Additional comments.**

Regional Ranking

Panel Ranking: High

Provide a brief explanation of your ranking: This proposal is a well-directed plan to increase both awareness and education concerning California water issues in the region and the state as a whole.
