

MARKET SQUID LIGHT BOAT PERMIT TRANSFER PROVISIONS

Authority – Transferable Market Squid Light Boat Permits

California Code of Regulations, Title 14, Section 149.1, subdivision (o), allows the owner of a commercial fishing vessel with a valid Transferable Market Squid Light Boat Permit (TMSLBP), to transfer the permit to a replacement vessel. Under Section 149.1(l), the owner of a commercial fishing vessel with a valid TMSLBP, may transfer the title of the vessel to another entity. Requests for transfer or change of ownership of a TMSLBP are subject to the following conditions:

Classification of Permits and Permit Authorization

A Market Squid Light Boat Permit authorizes only the use of lights as specified in regulation to aggregate squid for purposes of commercial harvest. No other gear is authorized under this permit to take or assist in the taking of market squid for commercial purposes.

In addition, Fish and Game Code Section 7857(a), requires vessel owners to possess a valid California Commercial Fishing License before a TMSLBP can be issued.

NOTE: If the owner of the replacement vessel is applying for the first time for a commercial fishing license they must provide valid identification as defined in Section 700.4. (See page 7, Section 700.4 Automated License Data System).

TITLE 14, CALIFORNIA CODE OF REGULATIONS EXCERPTS

§149.1 Market Squid Fishery Restricted Access Program.

(k) Dissolution of Partnership or Corporation. If a transferable Market Squid Vessel Permit, Market Squid Brail Permit, or Market Squid Light Boat Permit is issued for a vessel that is owned by a bona fide partnership or corporation which becomes dissolved, the partnership or corporation shall notify the department of the name of the partner or shareholder who is the successor permitholder and the department shall reissue the permit to that partner or shareholder. Change of vessel ownership provisions defined in subsection (l) and transfer fees in subsection (i)(2) apply.

(l) Change of Vessel Ownership.

(1) If a transferable Market Squid Vessel Permit, Market Squid Brail Permit, or Market Squid Light Boat Permit is issued for a vessel that is owned by an individual or by a bona fide partnership or corporation, and the individual, bona fide partnership, or corporation transfers

the title of ownership of the vessel to another entity, the original entity to which the permit is issued must notify the department of the change in ownership, and submit a non-refundable transfer fee as specified in Section 705.

(2) Upon payment of fees, and surrender to the department of the original permit or permits, the department shall issue the applicable permit to the new owner of the vessel that is valid for the remainder of the fishing season. Gross tonnage endorsement provisions defined in subsection (n) below shall apply.

(3) Non-Transferable Market Squid Vessel Permits, Non-Transferable Market Squid Brail Permits and Non-Transferable Market Squid Light Boat Permits which are issued to individuals shall not be transferred to a new owner. Sale or transfer of ownership of a vessel that is authorized to fish under a non-transferable market squid permit shall render the permit null and void.

(o) Transfer of Permits to Replacement Vessels.

(1) Conditions for permit transferability as defined in this subsection shall provide the mechanism for achieving the capacity goals defined in subsection (m) of this Section over time.

(3) After August 31, 2005 the following conditions for transferability of permits to replacement vessels will be in effect for permits in each class as described:

(D) A Transferable Market Squid Light Boat Permit issued to an individual, partnership or corporation may be transferred to another entity who is the owner of a replacement commercial fishing vessel.

(E) In the event of death of the holder of a Transferable Market Squid Vessel Permit, Transferable Market Squid Brail Permit, or a Transferable Market Squid Light Boat Permit, the estate must apply for transfer of the permit to another entity within one year of the permitholder's death.

(F) A Non-Transferable Market Squid Vessel Permit or a Non-Transferable Market Squid Brail Permit issued to an individual may not be transferred to another entity, but in the event the permitted vessel is lost, stolen or destroyed, or has suffered a major mechanical breakdown, the permit may be placed on a replacement vessel of comparable capacity as defined in subsection (m). A Non-Transferable Market Squid Light Boat Permit issued to an individual may not be transferred to another entity, but in the event the permitted vessel is lost, stolen or destroyed, or has suffered a major mechanical breakdown, the permit may be placed on a replacement vessel. A notarized, written request for transfer must be submitted, along with proof that the permitted vessel is lost, stolen, or destroyed in the form of a copy of the report filed with the United States Coast Guard or any other law enforcement agency or fire department investigating the loss. In the case of mechanical breakdown, the request shall include an estimate of the costs to repair the vessel from a marine surveyor or boat repair yard. The department shall not issue a permit for a replacement vessel pursuant to this subsection if the permitted vessel was reported lost, stolen, destroyed, or damaged for fraudulent purposes.

(4) The applicant for transfer must be the owner of a replacement commercial fishing vessel that has been registered with the department pursuant to Fish and Game Code Section 7881 at the time of application.

(5) A written request for transfer of a market squid permit of any class shall be submitted to the department by the owner of the replacement vessel in the form of a notarized letter, accompanied by the nonrefundable transfer fee and shall include a copy of the permit or permits which are being considered for transfer, current proof of vessel ownership, and gross tonnage information as described in subsection (n), if applicable.

(6) Any market squid permit holder intending to transfer a permit shall submit a notarized letter to the department setting forth the conditions of the sale, and shall specify that the terms of the transfer as documented by the replacement vessel owner are valid and true.

(7) Upon determining that the applicant is qualified to transfer the permit to a replacement vessel, payment of all fees, and surrender to the department of the original permit or permits, the department shall issue the applicable permit to the owner of the replacement vessel that is valid for the remainder of the fishing season. Gross tonnage endorsement provisions defined in subsection (n) above shall apply.

(8) At the time the permit transfer is complete, vessels previously authorized to fish under conditions of a surrendered permit shall not take or attract squid for commercial purposes unless otherwise authorized in regulation or statute.

(p) Transfer Appeals. Any applicant who is denied transfer of a Market Squid Vessel Permit, Market Squid Brail Permit, or a Market Squid Light Boat Permit may appeal the denial to the department in writing describing the basis for the appeal. The appeal shall be received or, if mailed, postmarked within 60 days of the date of the department's denial. The appeal shall be reviewed and decided by the department. The decision of the department may be appealed in writing to the commission within 60 days of the date of the department's written decision.

§ 700.4. Automated License Data System.
