

Final DFG Recommendation

0049

American Basin Working Landscapes Project
Placer County Resource Conservation District

Applicant amount requested: \$1,860,898

Fund This Amount: \$1,860,898

Department of Fish and Game Summary: The Department has been able to follow up with the principals and partners of this project and has determined that funding garnered for this project from other sources since the inception of this grant suggest to the DFG that the concerns raised by the Selection Panel have been addressed, and the project should be funded at the full request, with conditions drawn from the Selection Panel and other reviews imposed during the contracting phase.
