Waterfowl and Upland Game Bird Hunting

SEPTEMBER 1

- ✓ **Dove Season Opens Statewide** (see page two for dove regulations and bird hunting validation guide)
- ✓ **Waterfowl Reservation Drawing Applications become available** (located under *2022 Hunting, Drawing Tab*)

How to Apply for Reservations to Hunt Waterfowl

Reservation to hunt waterfowl on State-operated wildlife areas are issued by random drawings for Type-A wildlife areas and for opening day on some Type-B wildlife areas.

Applicants may use a combination of the following applications to apply for reservations:

- **Multi Choice Application** allows an applicant to select individual hunt dates for one or more wildlife areas throughout the season.
- **Season Long Application** allows an applicant to apply for every available Saturday, Sunday, and/or Wednesday hunt date for one or more wildlife areas for the entire season.
- **Military and Veteran Weekend Application** allows an active military personnel or veteran to apply for available military-only waterfowl hunts at participating state-operated wildlife areas.

Disabled Accessible Hunting Sites: Customers applying for disabled accessible hunting sites must use the Multi Choice and/or Season Long **Mobility Impaired Drawing Application(s)**. Please make sure the correct version of the application is selected for your customers.

Applicants must apply **17 days prior to the hunt date**; if the hunt date does not appear on the application selection screen, at the time of applying, the deadline for that specific hunt date has passed.

Waterfowl Reservation Drawing Results

Successful applicants are mailed a Waterfowl Reservation Notice and will receive an email notification if they opted-in to electronic notifications from CDFW. Results are posted online at least seven days prior to each hunt day. All applicants can view their pending hunt choices, drawing results, and print drawing notices online by logging on to the CDFW's Online License Sales and Services website at www.ca.wildlifelicenses.com/InternetSales/.
