INSTRUCTIONS FOR COMPLETING THE SPECIAL RAPTOR DRAWING APPLICATION (continued from front):

1. Who Can Apply? An applicant may be a resident or a nonresident and possess a valid General or Master falconry license at the time of application to enter the drawing. A resident applicant shall not submit more than two drawing each regulatory year. A nonresident applicant shall not submit more than one drawing application each regulatory year.

2. Get Outdoors Identification Number (GO ID). Every person who is issued a license through ALDS is issued a permanent identification number. Your GO ID is printed on every license item. It is used to retrieve your customer information each time you purchase a license, apply for drawings, and to look up drawing results. If you have previously purchased any ALDS license, make sure you provide your GO ID when applying for this drawing to retrieve your customer information.

If you are a Nonresident, who has never previously purchased any ALDS license and would like to apply online instead of submitting this application by mail, you must submit either by e-mail spu@wildlife.ca.gov or fax (916) 419-7586 a copy of your valid falconry license and identification.

3. Identification Required. ALDS regulations require you to present identification at the time of application. This also ensures that the Department will have an accurate record of our license customers in an electronic database. Acceptable proof of identification:

- Any license document or Get Outdoors identification number (GO ID) previously issued via ALDS
- A valid driver's license or identification card issued to him or her by the Department of Motor Vehicles or by the entity issuing driver's licenses from the licensee's state of domicile
- US Military Identification Cards (Active or reserve duty, dependent, retired member, discharged from service, medical/religious personnel)
- US Certificate or Report of Birth Abroad
- US Birth Certificate
- Tribal Identification Card, as defined by each sovereign tribal nation
- US Passport
- A foreign government-issued photo identification
- Certificate of Naturalization or Citizenship
- Birth Certificate or passport issued from a US Territory

Applicants who are less than 18 years of age may provide any form of identification described above or a guardian's identification (parent or legal guardian identification listed above). Once a customer has purchased a license in ALDS, they may use any previous ALDS license in lieu of identification.

ADDITIONAL INFORMATION

Successful applicants and a list of alternates for each species and/or area will be determined by random drawing within 10 business days following the application deadline date. If the drawing is delayed due to circumstances beyond the Department's control, the Department shall conduct the drawing at the earliest date possible.

Successful and alternate applicants will be mailed notification as soon as practical. Upon receipt of the notification, the successful applicant shall submit the Raptor Capture Permit Fee, as specified in Section 703, to the Department's License and Revenue Branch by 5:00 p.m. on June 1, 2014 to claim the permit. If the deadline to submit the fee falls on a weekend or holiday, payment will be accepted until 5:00 p.m. on the first state business day following the deadline to submit payment. Unclaimed permits shall be awarded to alternates for that species and/or area after June 1, 2014 on an individual basis, in the order drawn

The Raptor Capture Permit shall only be issued to successful applicants that hold a General or Master falconry license that is valid for the same license year that the permit will be valid. Only the permit holder is entitled to capture a raptor, and must be in immediate possession of the permit during the capture. Permits are not transferable and are valid only for the species, area and period as specified on the permit.

PAYMENT POLICY

***Personal or business checks** will be accepted by the Department if name and address are imprinted on the check. Checks returned to the Department due to insufficient funds will render your license invalid. The Department may also deny the issuance or renewal of any license if a person has failed to reimburse the Department for the amount due.
