

2019 Fishing Contest Permit Drawing For Fishing Contests to be Held During 2020

The Department of Fish and Wildlife invites you to this year's Fishing Contest Permit Drawings, to be held in both northern and southern California. The dates and locations are as follows:

Northern California Drawing

(For contests north of the Tehachapi Mountains)

Friday, July 19, 2019, 10:00 AM
National University, Sacramento
Campus Conference Room
10901 Gold Center Drive
Rancho Cordova, CA 95670

Southern California Drawing

(For contests south of the Tehachapi Mountains)

Friday, July 26, 2019, 10:00 AM
DFW Ontario Office
Main Conference Room
3602 Inland Empire Blvd. Suite C-220
Ontario, CA, 91764

The permit drawings provide a forum for sponsors to efficiently coordinate their fishing contests for the following year. *If you are planning fishing contests during 2020 that will offer prizes totaling more than \$1,000 in value or attract more than 50 participants, we strongly recommend your attendance.* We will provide updated information and forms at the drawing, and therefore also recommend the attendance of your tournament directors.

If you are requesting more than four contests, please have a representative at the drawing. If you are participating via mail-in, you must provide a [separate check](#) for each event and a daytime contact phone number for the day of the drawing.

Request Submission Procedures:

1. For proposed tournament schedules sponsors will be limited to:
 - a. No more than one request per month per water
 - b. No requests for simultaneous Delta events (e.g. no requesting Delta-Contra Costa and Delta-Sacramento on the same day)
2. After all conflicts are resolved there will be a drawing held for any additions to the calendars. One addition to the calendars will be allowed per sponsor per round. The order will be the same for all rounds, but will be snaked (i.e. #1 pick of the first round will have the last pick in the 2nd round, and the last pick of the 1st round will have the #1 pick of the 2nd round). Rounds will continue until there are no more additions.

Please provide your proposed tournament schedules (dates and locations) to Max Fish by COB Wednesday, July 17th for the Northern Drawing and by COB Wednesday, July 24th for the Southern Drawing.

This will enable us to add all proposed events to our calendar and immediately identify conflicts among sponsors, which will facilitate conflict resolution at the drawing. All proposed schedules will be kept confidential until the day of the drawing. If you fill out any applications prior to the drawing, please use the most current version of Form FG-775 posted online at: <http://www.dfg.ca.gov/fish/Administration/Permits/FishingContest/>.

The current filing fee is \$64.89/application. You must pay for approved applications at the time of the drawing to reserve the date and location. In addition, you must have all overdue contest reports from previous tournaments completed and turned in. **If you have overdue contest reports from the previous year, you will not be allowed to reserve dates and locations for 2020 fishing contests.**

Please contact me if you require interpretive services for the deaf and hard of hearing, or other special requests. If you have any questions or concerns, please contact me at (916) 327-8849 or max.fish@wildlife.ca.gov

We look forward to seeing you at the tournament drawing!

A handwritten signature in blue ink that reads "Maxfield A. Fish". The signature is written in a cursive style with a large, sweeping initial 'M'.
