⁶ If the person seeking to establish the bank proposes any changes to the Bank Agreement Package during the 90-day review period, and the changes necessitate additional review, a fee (per unsolicited change) of \$10,052.25* shall be assessed by the regional manager to cover the reasonable cost of the department's services in reviewing the changes. A new 90-day review period will begin upon receipt of the proposed changes and associated review fee. FGC § 1798.5(f).

⁹ The department shall collect a total implementation fee of \$60,313.50* per bank, as described in FGC § 1799(e)(2), to cover the department's implementation and compliance monitoring costs. A 10% penalty fee will be incurred on the amount due if fee is not paid by the due date. The total implementation fee may be paid in lump sum or in installments associated with credit releases, with each installment to be calculated as follows: ((credits released/total credits) X \$60,313.50*).
