

Retroactive premiums for mandatory cancellations and/or deletions to your dental coverage will be reimbursed for a maximum period of six months. This limitation impacts all mandatory cancellations and/or deletions to your State-sponsored dental coverage. You may want to check your dental coverage enrollment through your personnel office and ensure that only eligible dependents are enrolled.

There will be a decrease in the total monthly premiums for both the Delta Premier and Delta Dental Preferred Provider Option (PPO) plans. The following charts show Delta's new dental premiums that are effective January 1, 2014.

**Delta Dental Premier Basic Plan for Represented Employees:**

**Prepaid Dental Plan Premiums**

There will be no increase in premiums for prepaid dental benefits. The State will continue to pay 100 percent of the premium for employees not in CoBen. For employees in CoBen, the State's share and employee's share do not apply. Therefore, the total dental premium will be deducted from the monthly CoBen allowance on the January 1, 2014, pay warrant (December 2013 pay period). Prepaid dental plan premiums are as follows:

## **Union-Sponsored Dental Plans: Bargaining Units (BUs) 5 and 6**

The California Association of Highway Patrolmen (CAHP) offers its own indemnity dental plan to BU 5 employees who are CAHP members; however, members may opt to enroll in a State-sponsored prepaid plan. The California Correctional Peace Officers Association (CCPOA) offers dental insurance to BU 6 employees who are CCPOA members or those who are under Fair Share. Employees in BUs 5 and 6 should contact their Benefit Trust for information on their union-sponsored dental plan premiums and benefits.

## **CONSOLIDATED BENEFITS**

All excluded employees and employees represented in BUs 2, 7, 8, 16, 17, 18, and 19 are in CoBen. The State provides a benefit allowance to purchase health, dental, and vision benefits. If the total cost of the plans chosen is less than your CoBen allowance, you receive the difference as taxable income. If the total cost of the plans is more than your CoBen allowance, the difference is deducted from your pay warrant pre-taxed.

## **Employee CoBen Allowance Amounts and Dependent Vesting Criteria**

Employees not previously eligible for health benefits under State civil service may be subject to dependent health vesting. Dependent health vesting provides employees a reduced employer health contribution toward dependent coverage during their first 12 or 24 months of service. Employees in Bargaining Units subject to a 12-month dependent vesting schedule will receive 75 percent of the employer contribution for health coverage during their first 12 months of service, and the full employer contribution after completing 12 months of service. Employees in Bargaining Units subject to a 24-month dependent vesting schedule will receive 50 percent of the employer contribution for dependent health coverage during their first 12 months of service, 75 percent during months 13 through 24, and the full employer contribution after completing 24 months of service.

BU 2 and 7 employees who first become eligible for health benefits on or after July 1, 2006, and BUs 16, 17, 18, and 19 employees who first become eligible for health benefits on or after January 1, 2007, are subject to a 12 or 24 month vesting schedule for the health portion of the employer benefit allowance for dependents.

The chart on the following page reflects the CoBen allowance amounts effective January 1, 2014, for employees in BUs 2, 7, 8, 16, 17, 18, and 19, and Excluded employees.

Please note that information in this section is subject to changes due to the fluid nature of collective bargaining.

\*Effective July 1, 2014, employees represented by BU 19 who first become eligible for health benefit enrollment or are receiving 50 percent of the employer contribution for dependent health coverage shall be subject to a 12-month dependent health vesting schedule. Employees will receive 75 percent of the employer contribution for dependent health coverage during the first 12 months of service and the full employer health contribution after completing 12 months of service.

**Benefits Calculator**

If you are going to make a change in your benefit choices during the open enrollment period, you may want to use the Benefits Calculator on CalHR's website, which will help you determine how much will be deducted or added to your pay warrant, based on which health and dental plans you choose. You simply click on your health and dental plan choices and how many dependents will be covered.

The Benefits Calculator is located at [www.calhr.ca.gov](http://www.calhr.ca.gov) (click on Employees, Benefits, and then Health).

**CoBen Cash Option**

The following rates will be effective January 1, 2014; however, the collective bargaining process is fluid and changes may be agreed to which alter these amounts. CalHR will notify departments if there are subsequent changes to these rates.

If you have health and dental coverage through another source, you may enroll in the CoBen Cash Option. These amounts are:

- \$155 a month in-lieu of health and dental coverage; or
- \$130 a month in-lieu of health coverage only.

To enroll in a CoBen Cash Option, complete a Consolidated Benefits (CoBen) Cash Enrollment Election (STD. 702) form during open enrollment. For details, refer to the 2014 CoBen handbook that will be available by Open Enrollment and can be downloaded from CalHR's website at [www.calhr.ca.gov](http://www.calhr.ca.gov) on the Consolidated Benefits page.

## **FLEXELECT**

### **FlexElect Reimbursement Accounts**

FlexElect offers reimbursement accounts that allow you to use pre-tax salary to pay for certain dependent care and/or medical care that is not covered by insurance. To enroll in a FlexElect Reimbursement Account, complete a Reimbursement Account Enrollment Authorization (STD. 701R) form during open enrollment. You must re-enroll into the Reimbursement Accounts each year.

The annual maximum FlexElect reimbursement amounts are:

- Medical Reimbursement Accounts - \$2,500 per participant.
- Dependent Care Accounts - \$5,000 per household.

The FlexElect handbook will be available by Open Enrollment for further details.

### **FlexElect Cash Option**

If you have health and/or dental coverage through another source, you can opt for cash in-lieu of your State-sponsored benefit. The FlexElect Cash Option is \$128 a month for health and \$12 a month for dental. To enroll in FlexElect Cash Option, complete a Cash Option Enrollment Authorization (STD. 701C) form during open enrollment.

For details, refer to the 2014 FlexElect handbook that will be available by Open Enrollment and can be downloaded from CalHR's website at [www.calhr.ca.gov](http://www.calhr.ca.gov).

## **VISION PROGRAM**

The premium paid to Vision Service Plan (VSP) for basic vision coverage will remain at the rate of \$8.64 and will continue to be paid in full by the State. State employee basic vision coverage is automatically established for employees and their eligible dependents and no form is required to enroll, add, or delete dependents during open enrollment. Therefore, employees need to continue to ensure that only eligible dependents are provided services under their State-sponsored vision plan.

### **Premier Vision Plan**

The Premier Vision Plan enables you to get a higher allowance for frames and contacts, fully covered progressive lenses, and more discounts. Eligible State employees (with the exception of rank and file BU 6 employees, (as their vision benefits are provided by their trust) may enroll in the Premier Vision Plan during open enrollment or based on an eligible permitting event.

You have the option to enroll one of three ways:

- Online at [www.vsp.com/go/stateofcapremier](http://www.vsp.com/go/stateofcapremier). Complete the online enrollment form.
- Complete and mail the VSP enrollment form you will receive in the mail to:

VSP Vision Care  
Attn: Client Administrative Services  
PO Box 997100  
Sacramento, CA 95899

- Call VSP directly at 1-800-877-7195 and speak with a member service representative.

**Please Note: If you choose to upgrade to the Premier Vision Plan, basic vision coverage is cancelled; therefore, any dependents you wish to be covered must also be enrolled into the Premier Vision Plan. You cannot choose to enroll in both the Basic and Premier Vision Plan coverage at the same time, or split your enrollment leaving any dependents on the Basic Vision Plan.**

There is no increase in the monthly premiums for the Premier Vision Plan. If you choose the Premier Vision Plan, the additional cost will be deducted directly from your State pay warrant. The State will continue to contribute \$8.64 towards the monthly premium. The premium rates are reflected in the following chart.

#### **Premier Vision Plan Premiums**

<b>Coverage</b>	<b>Total Premium</b>	<b>State Share</b>	<b>Employee Share</b>

## Your Dental and Vision Plan Options

### Prepaid Plans

DeltaCare USA, SafeGuard, Premier Access and Western Dental

Prepaid plan services are provided by member dentists throughout California. These plans are not available outside of California.

You pay no monthly premiums, as they are paid in full by the State. You also have no deductibles or maximum annual benefit limits with these plans. Many services are provided at low or no cost to you. Enrollment in any of these plans requires you be assigned to one provider/facility. You may change dentists upon request and/or change plans if you move and your plan is no longer available. If you need emergency dental care and are outside of your service area (50 miles from your residence), you may go to any dentist for the relief of pain and be reimbursed up to \$400 per calendar year. For more information, or a list of member dentists, contact the plans at:

### Indemnity Plan

Delta Dental Premier - Group #9949

Delta Premier features full access to specialty care and guaranteed benefits through member dentists. Also, you may see any dentist worldwide and still be covered; however, your out-of-pocket costs may be higher. For more information, contact Delta Dental at 1-800-225-3368 or visit [www.deltadentalca.org/state](http://www.deltadentalca.org/state).

### Preferred Provider Option Plan

Delta Dental Preferred Provider Option (PPO) - Group #9946

PPO provides services through its network of participating dentists. You may also use non-PPO dentists worldwide; however, if you receive services outside of the PPO network, your out-of-pocket costs could be substantially higher. Please note that not all Delta Premier dentists are members of the PPO network; however, you can see the Delta dentist of your choice and still be covered.

Some of the differences between the Delta Premier plan and the Delta PPO plan are: The PPO dental plan treatment costs are based on a discounted fee agreement between Delta and the PPO provider. This fee agreement will result in lower out-of-pocket costs to you when you visit a PPO network dentist. Also, the maximum annual benefit available to dependents is \$2,000 when using a dentist who's a member of the PPO network, compared to a \$1,000 yearly maximum for dependents under Delta Premier basic plan. Additionally, the PPO plan offers a \$2,500 lifetime benefit for dental implants, and a third cleaning for high-risk patients. Generally, high-risk patients include pregnant women, cancer chemotherapy patients, and persons with compromising systemic diseases such as diabetes, AIDS, or endocarditis, and persons who have had organ transplants. Your

current dentist may be a PPO provider, so you may want to consider changing your coverage to the PPO plan to take advantage of this richer benefit.

For more information, contact Delta Dental at 1-800-225-3368 or visit [www.deltadentalca.org/state](http://www.deltadentalca.org/state).

These are brief descriptions of the available dental plans. Please consult each plan's "Evidence of Coverage" brochure or call the plan for a more detailed explanation. You may also obtain brochures and listings of participating dentists by accessing each plan's website at the addresses listed above.

## **VISION**

### **Basic Vision Plan**

Benefits for eligible employees and their dependents include an eye exam, frames, and/or lenses once each calendar year. Medically necessary contact lenses are also fully covered. Benefits include an allowance of \$75 for frames or \$110 for elective contact lenses. A \$10 deductible for an eye exam and a \$25 deductible for materials (frames and/or lenses) are required at the time of the appointment.

Eligible employees are automatically enrolled in the State's Basic Vision Plan upon hire. The effective date is based on when the employee's personnel office processes the Personnel Action Request (PAR) document.

### **Premier Vision Plan**

Employees may upgrade to the Premier Vision Plan for a monthly premium. The State contributes \$8.64, (the equivalent of the Basic Plan cost). The employee share of the premium is based on the party code (see attached chart). This benefit for eligible employees and their dependents includes an eye exam, frames, and/or lenses once each calendar year. An allowance of \$200 (\$110 allowance at Costco) is available for frames and/or lenses including bifocal, progressive and transition lenses which are fully covered. A \$10 deductible for an eye exam and a \$25 deductible for materials (frames and/or lenses) are required at the time of the appointment.

Eligible employees may enroll during open enrollment or within 60 days from the date of eligibility. The effective date of coverage is based upon when VSP receives the first monthly premium from the State Controller's Office. Employees wanting to enroll into the Premier Vision Plan must positively elect to enroll. Once enrolled into the Premier Vision Plan, the employee will be required to maintain their enrollment for a 12-month minimum enrollment period.

For more information about vision benefits, please contact Vision Service Plan (VSP) at 1-800-877-7195 or visit their website at [www.vsp.com/go/stateofca](http://www.vsp.com/go/stateofca).
