

## California State Oil Spill Contingency Plans for Public Review

Oil Spill Contingency Plans submitted to OSPR for approval are available for review. A Public Records Act request shall be submitted for review of a plan. Publicly disclosable pages of plans either may be reviewed in person at an Office of Spill Prevention and Response (OSPR) office or copies of the plans will be provided at the cost of duplication, consistent with the Public Records Act. A list of currently available plans for public review are found below.

Any person interested in requesting an appointment to review a plan should call or email:

### **Vessel Plans**
