INSTRUCTION FOR COMPLETING THE NEW FALCONRY LICENSE APPLICATION

Please allow 45 business days for processing your application. A person applying for a California falconry license for the first time or renewing a license that has lapsed for five or more years must take and pass a written examination given at any California Department of Fish and Wildlife (Department) office listed below and have their facility inspected by the Department. An applicant who provides documentation of successfully passing a federally approved examination in a state that has had its falconry regulations certified as specified in Title 50, CFR, Section 21.29, will not be required to take the examination in California if the applicant took the exam within five years from the date the application was submitted. Applicants must be 12 years of age or older to be issued an apprentice license and may possess only a red-tailed hawk or an American kestrel. Applicants under 18 years of age must have a parent or guardian co-sign this application.

Incomplete applications will be returned and could delay the issuance of your license. Contact the License and Revenue Branch at (916) 928-5849 or spu@wildlife.ca.gov if you need additional information regarding falconry licenses.

1. It is mandatory to complete all items unless specified as voluntary.
2. Sign and date the application.
3. Make a reservation to take the exam at the CDFW office listed below nearest you. The written exam will take approximately two hours and will be scored while you are present. If you fail the exam, you may take another examination no earlier than the next business day following the date of the failed examination.
4. Take this completed application, the examination fee, and a copy of your identification with you to the exam.

Upon passing the exam:

5. **IMPORTANT:** You must have your permanent falconry facilities built and ready to be inspected by the Department when you submit this application. Submit the inspection fee, as specified in Section 703 with this application. Your permanent falconry facility must pass an inspection by the Department, as specified in Section 670(j) before your license may be issued. The Department will contact you about scheduling an appointment to have your facility inspected. If the applicant is sharing an existing raptor facility with another licensed falconer, and possesses proof of a passed inspection, there is no requirement for an additional inspection.
 If you do not own the property where your falconry facilities are located, you must submit with this application a signed and dated statement from the property owner stating that he/she agrees that the falconry facilities, equipment and raptors may be inspected without advance notice, as specified in Section 670(j).
6. Mail this application, a copy of your identification, a statement from the property owner if required, and a cashier's check, money order, personal or business check*, or credit card authorization form online at wildlife.ca.gov/licensing/falconry, to the California Department of Fish and Wildlife, License and Revenue Branch, 1740 N. Market Blvd., Sacramento, CA 95834 or apply in person. **DO NOT SEND CASH.*****

NOTE: The Resident Falconer Raptor Capture, Recapture or Release Report (FG 360f), and Falconry Hunting Take Report (FG 360h) are available online at wildlife.ca.gov/licensing/falconry or by contacting the Department at the address and telephone number listed above.
