

INSTRUCTIONS FOR COMPLETING THE SPECIAL RAPTOR DRAWING APPLICATION (*continued from front*):

1. Who Can Apply? An applicant may be a resident or a nonresident and possess a valid General or Master falconry license at the time of application to enter the drawing. A resident applicant shall not submit more than two drawing applications each regulatory year. A nonresident applicant shall not submit more than one drawing application each regulatory year.

2. Get Outdoors Identification Number (GO ID). Every person who is issued a license through ALDS is issued a permanent GO ID number. Your GO ID is printed on every license item. It is used to retrieve your customer information each time you purchase a license, apply for drawings, and to look up drawing results. If you have previously purchased any ALDS license, make sure you provide your GO ID when applying for this drawing to retrieve your customer information.

If you are a Nonresident, who has never previously purchased any ALDS license and would like to apply online instead of submitting this application by mail, you must submit either by e-mail spu@wildlife.ca.gov or fax (916) 419-7586 a copy of your valid falconry license and identification.

3. Identification Required. ALDS regulations require you to present identification at the time of application. This also ensures that the Department will have an accurate record of our license customers in an electronic database. Acceptable proof of identification:

- Any license document or Get Outdoors identification number (GO ID) previously issued via ALDS
- A valid driver's license or identification card issued to him or her by the Department of Motor Vehicles or by the entity issuing driver's licenses from the licensee's state of domicile
- US Military Identification Cards (Active or reserve duty, dependent, retired member, discharged from service, medical/religious personnel)
- US Certificate or Report of Birth Abroad
- US Birth Certificate
- Tribal Identification Card, as defined by each sovereign tribal nation
- US Passport
- A foreign government-issued photo identification
- Certificate of Naturalization or Citizenship
- Birth Certificate or passport issued from a US Territory

Applicants who are less than 18 years of age may provide any form of identification described above or a guardian's identification (parent or legal guardian identification listed above). Once a customer has purchased a license in ALDS, they may use any previous ALDS license in lieu of identification.
