Benefits of a Lifetime License

California's Lifetime License Program offers dedicated hunters and anglers an opportunity to enjoy a lifetime of fishing and hunting. Our lifetime license program offers you:

- A lifetime of basic fishing and hunting license privileges (tag and validation privileges are available for an additional cost), even if you move out of state
- Protection against future fee increases

Lifetime License Annual Renewal

Each year, before the new license year you will be able to pick up a new license at no cost from a CDFW license agent, a CDFW license sales office or from the Online License Service at www.wildlife.ca.gov/Licensing/Online-Sales. To claim your license online, you must log into the Online License Service using your last name, date of birth, and GO ID (from your hunting or fishing license). When requesting your license online, please allow 15 days for delivery.

Additional validations, tags, and report cards can be purchased separately each year, or they can be purchased in one or more of the following packages.

Available Lifetime Licenses and Additional Privilege Packages

FISHING

Lifetime Sport Fishing License - includes basic fishing license privileges.

Additional Fishing Privileges - Includes a second-rod validation, north coast salmon report card, steelhead report card, and ocean enhancement validation every year for life.

HUNTING

Lifetime Hunting License - includes basic hunting license privileges.

Additional Bird Hunting Privileges - Includes a California duck validation and upland game bird validation each year for life. California duck and upland game bird validations are issued only to hunters who are 18 years of age or older.

Additional Big Game Privileges - Includes one deer tag application and five wild pig tags every year for life.

Future License Requirements

Your lifetime license privilege package includes only the privileges specified at the time of purchase. If additional validations, tags, or report cards are required in the future, you may be required to purchase them separately.

Lifetime Licenses Are Available Only to California Residents

You must be a California resident to purchase a lifetime license. If you move out of California, your lifetime license and the privileges you have purchased will still be valid. You are still eligible to purchase lifetime additional privilege packages. If you reside in another state, you are a nonresident, unless you are enrolled in the Job Corps, or on active duty with the U.S. Armed Forces. If you wish to apply for big game drawings or need additional hunting tags which are not included with your lifetime privilege packages, you must apply as a nonresident and pay nonresident fees.
