

Scott Creek

Subject

Date

7/22/58

Locality

El Dorado

60968 3-52 17,500 SPO

Ed Johnson + I visited at 6 P.M. Stream
flow estimated at 3-4 cfs. Stream has
adequate gravel, shelter + food + abundant.
We saw many small Trout. Stream is
closed to public. Owned by Henry Canbaldi
of Sutter Creek, Water temp 72°

Lester Lawrence, Plymouth owns the
Spartan Club, and the land below
Canbaldi.

W. Temp 70° below Canbaldi land.
Not Dec. Granite - red soil.

Notes made by S. H. Keller

CALIFORNIA DIVISION OF FISH AND GAME

Stream Survey

No. _____

NAME Scott Creek Tributary to South Fork Cosumnes River system Cosumnes

Other names _____

County Eldorado Township 8 N. Range 14 E. *North in 12 E.*
