Dear Mr. Amundson:

I plan to be in the Tahoe area on Monday and Tuesday, March 8 and 9. We will be at the Forest Ranger Station at Meyers on Monday afternoon and at a fish planting allotment meeting at Truckee Tuesday evening. Between these dates I will attempt to look you up because I want very much to talk to you about improving the outlet of Taylor Creek. If possible, I will call you Monday afternoon and make a definite date to meet.

Very truly yours

Dear Mr. Kelley:

I am sorry to have missed you during your trip to the Tahoe area March 8 and 9, but I was out of town and did not receive your letter until my return.

It would not be practical to discuss the Taylor Creek problem through correspondence; it will necessitate our getting together on your next trip to this area.

Thank you very much for your consideration.

Very truly yours,

J. W. Williamson
