Dear Guerdon:

As was indicated at the recent trout allotment meeting in your office, we are very anxious to meet with you and discuss an agreement for a flow release from Fallen Leaf Lake into Taylor Creek. We would also like to discuss a proposed stream flow maintenance dam project on Ralston Lake.

Terence Potter and I would like to meet with you at your headquarters on March 20 at 10:00 A.M., if you can see us at that time. If this does not fit in with your schedule, we would be very happy if you would suggest an alternate date.

Yours very truly,

George H. Warner  
Fisheries Management Supervisor
