

MEMORANDUM
NEVADA FISH AND GAME COMMISSIONTaylor Creek
El Dorado Co.

WRITE IT--DON'T SAY IT.

TO BE USED FOR ALL ORDERS, MESSAGES AND NOTES

TO Alex Calhoun
FROM Tom TreleaseDATE 3-12, 1956
SUBJECT Structure on Taylor Cr., Lake Tahoe

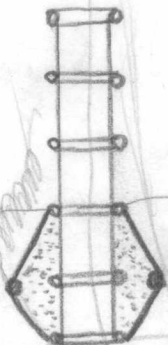

Attached is a print of the structure at the mouth of Taylor Cr., Lake Tahoe. This was taken by Ray Corlett and he thought Don Kelly may want it.

It was one of the structures your Department put in to facilitate fish movement out of the lake, and was damaged by flood waters in December.

Tom

P.S. Please pass same on to Don Kelly. Thanks.
