Mr. Robert K. Morris, Forest Naturalist
P.O. Box 701
Tahoe Valley, California

Dear Mr. Morris:

You will be interested to know I have just received your request for a letter summarizing the value and importance of Taylor Creek from a fisheries point of view.

I am referring your request to Mr. Almo Cordone in Tahoe City. Mr. Cordone is in charge of the Lake Tahoe Fisheries Study and much more familiar with Lake Tahoe, its tributaries, and the management of these waters, than I am.

I appreciate your interest in Taylor Creek and will be happy to assist you in any way possible.

Sincerely yours,

Jack R. Bell
