Comments/Issues:

① Category on the website dedicated to private landowners on how ~~the~~ SWAP will affect them. This will clear up communication. A "FAQ" [Frequently Asked Questions] area might be useful for private landowners. A video might be helpful as well.

② state what will happen if there is insufficient funds to complete the plan.

③ Educate Ranchers on Grazing through the website. Maybe a video? Maybe a fact sheet?

④ Indicate how population size was found for Grasslands & ~~Riparian~~ Riparian Zones.

Please use additional sheets if necessary.
