Comments/Issues:

I will submit written comment on American Badger.

Attended supping meeting in Santa Rosa.

Glad I didn't drive to San Leandro.

Audience plants who dominated discussion with non-conservation related issues ~~was~~ disappointing.

I thought process was, however, well managed by you.

I hope comments I submit on American Badger will be helpful to you.

(Glad to see American Beaver in sensitive species)

with species American Badger. Probably only such experience in State.

My time is more valuable to me than sitting through these meetings beyond 7:40.
