Name:	Bob Schneider, Tuleyome Senior Policy Director

Comments/Issues:

1. Separate the consumptive and recreational uses in the companion plans. They are quite separate
2. Be sure to coordinate with SWRCB on illegal water diversion
3. Coordinate with each Regional Water Quality Control Board on water quality issues. The Central Valley Board has a marijuana subcommittee focused on water quality pollutant issues with respect to marijuana grows
(I am also a Board member on the Central Valley RWQCB)
4. Central Valley potential grasslands may actually be California Prairies

Please use additional sheets if necessary.
