

DO YOU LOVE BEING OUTDOORS? ARE YOU INTERESTED IN WILDLIEF?

The California Department of Fish and Game has volunteer opportunities available for you to help monitor and preserve California's native bird species throughout the state.

The Mourning Dove Banding Program is looking for volunteers to help trap and band 4,000 birds this summer.

Be a part of this comprehensive program and help ensure the continued success of this valuable game bird species. Training and materials are provided. This unique experience allows volunteers a chance to band wild birds and work with CDFG biologists as part of the mourning Dove Banding Program, part of a cooperative effort among 24 states across the nation.

TRAINING STARTS IMMEDIATELY!!
