

Pika Summit 2009

Contact information

| Last Name | First Name | Affiliation | Email (Substitute ; with @) | Topical Area of Interest | Geographic Area of Interest | Workgroup Membership |
|-----------|------------|--|-----------------------------|--|---|-----------------------|
| Brown | Rick | Department of Wildlife, Humboldt State University | Richard.Brown;humboldt.edu | population health, disease, and mortality | | Health |
| Clifford | Deana | DFG - Wildlife Investigations Lab | dclifford@dfg.ca.gov | | | Health |
| Finn | Sean | USGS | sfinn;usgs.gov | | | Database Coordination |
| Fleer | Katryna | UC Davis - Graduate Group in Comparative Pathology | kafleer;ucdavis.edu | Health and disease | Range-wide, emphasis Sierra Nevada: Yosemite*, Tahoe area, Kings Canyon/Sequoia | Health |
| Foley | Janet | UC Davis - School of Veterinary Medicine | jefoley;ucdavis.edu | Health and disease | Range-wide | Health |
| Hagar | Joan | USGS - Forest & Rangeland Ecosystem Science Center | joan_hagar;usgs.gov | Distribution in OR and WA; dispersal barriers/corridors; foraging ecology | Cascades; Great Basin; OR, WA, ID | |
| Havens | Michelle | USFWS - Red Bluff | michelle_havens;fws.gov | Entire range and specifically northern California; climate change; survey protocol; presence/absence data | Northern California | |
| Isanhart | John | USFWS (R6) | john_isanhart;fws.gov | | | Database Coordination |
| Klinger | Rob | USGS - Biological Resource Division | rcklinger;usgs.gov | Population dynamics and demography, macro and microhabitat associations, and the relationship between the above; <u>contemporary</u> distribution and occupancy patterns | Sierra Nevada, White Mountains | |

Pika Summit 2009

Contact information

| Last Name | First Name | Affiliation | Email (Substitute ; with @) | Topical Area of Interest | Geographic Area of Interest | Workgroup Membership |
|------------------|-------------------|--|------------------------------------|--|------------------------------------|--|
| Kovacs | Karen | DFG - Northern Region Wildlife Program Manager | kkovacs;dfg.ca.gov | | | |
| Loarie | Scott | Stanford University - Carnegie | loarie;stanford.edu | | | |
| Loarie | Greg | Earthjustice | gloarie;earthjustice.org | | | |
| Logsdon | Randi | DFG - Nongame Program | rlogsdon;dfg.ca.gov | | | Conservation |
| Millar | Connie | USFS - Pacific Southwest Research Station | cmillar;fs.fed.us | | | Geomorphology and Habitat Mapping, Protocols |
| Morelli | Toni Lyn | UC Berkeley - Department of Environmental Sciences, Policy, and Management | morellitlm@gmail.com | Climate impacts (especially microscale and refugia); behavioral ecology | Sierra Nevada | Database Coordination, Health, Protocols, Conservation |
| Nichols | Lyle | Santa Monica College | Nichols_Lyle;smc.edu | Distribution; Population studies | Mono County, California | |
| Osborn | Scott | DFG - Nongame Program | sosborn;dfg.ca.gov | Conservation of bats, insectivores, rodents, and lagomorphs | California | Conservation, Database Coordination |
| Patton | Jim | UC Berkeley - Museum of Vertebrate Zoology | patton;berkeley.edu | Grinnell Resurveys-boots on ground documentation of pika presence/absence-use of historical data on presence-absence in metapopulation construct | Sierra Nevada, White Mountains | Database Coordination |
| Peacock | Mary | University of Nevada - Reno | mpeacock;unr.nevada.edu | Population genetics; metapopulation dynamics; disease dynamics | Range-wide, emphasis NV | Research Coordination |

Pika Summit 2009

| Last Name | First Name | Affiliation | Email (Substitute ; with @) | Topical Area of Interest | Geographic Area of Interest | Workgroup Membership |
|-----------|------------|---|-----------------------------|--|--|---|
| Perrine | John | California Polytechnic State University - San Luis Obispo | jperrine;calpoly.edu | Field studies; historical records; thermal monitoring of microclimates; interaction with other species; behavioral changes and variation | Lassen area (historic Lassen transect); S. Sierra; Yosemite | Protocols |
| Ray | Chris | University of Colorado - Boulder | cray;colorado.edu | Comprehensive, but especially modeling of climate-mediated metapopulation dynamics | Range-wide | Geomorphology and Habitat Mapping, Protocols, Research Coordination |
| Roninger | Trisha | USFWS | trisha_roninger;fws.gov | Federal listing | Range-wide, especially N. CA and S. OR | |
| Shardlow | Mackenzie | University of Idaho - NPS Upper Columbia Basin I&M Network (not Mojave) | shardlow;uidaho.edu | Long-term monitoring; survey protocol; distribution and occupancy patterns | Lassen Volcanic NP, Lava Beds NM, Crater Lake NP, and Craters of the Moon NM&P | Protocols |
| Smith | Andrew | Arizona State University - Tempe | a.smith;asu.edu | Ochotona globally; American Pika distribution and systematics; Metapopulation dynamics; Conservation | Sierra and Bodie, + other Ochotona sp distribution | Conservation; Research Coordination |
| Steele | Dale | DFG - Nongame Program | DSteele;dfg.ca.gov | | | |
| Stermer | Chris | DFG - Nongame Program | cstermer;dfg.ca.gov | Predictive habitat modeling; surveys, determining distribution | Sierra Nevada, S. Cascades | |
| West | Ed | West Ecosystems Analysis, Inc. | ewest;westecosystems.com | | | Protocols, Research Coordination |

Pika Summit 2009

Contact information

| Last Name | First Name | Affiliation | Email (Substitute ; with @) | Topical Area of Interest | Geographic Area of Interest | Workgroup Membership |
|------------------|-------------------|---|------------------------------------|--|------------------------------------|-----------------------------|
| Westfall | Bob | USFS - Pacific Southwest Research Station | bwestfall;fs.fed.us | Survey of pika locations; Characterization of pika micro habitats and comparison with regional environments; Analyses of connectivity between pika populations | Sierra Nevada and Great Basin | |
| Wolf | Shaye | Center for Biological Diversity | swolf;biologicaldiversity.org | Climate change impacts; pika conservation | Range-wide | Conservation |
| Wright | David | DFG - North-Central Region | DWright;dfg.ca.gov | | | Research Coordination |

Agency abbreviations: DFG = California Department of Fish and Game; USFWS = United States Fish and Wildlife Service; USFS = United States Forest Service; USGS = United States Geological Survey; USNPS = United States National Park Service
