Sacramento, California

Proposal Form
Rental of Equipment

The State will accept bids for rental of equipment for grading of the stream bank, removal and piling of trees and debris for burning, and straightening of the channel on the Upper Truckee River in Sections 29 and 30, T12N, R18E, El Dorado California. This work is estimated to take a maximum of 125 hours, and shall not exceed a total cost of \$1875.00. Sealed proposals will be received at the Department of Fish and Game, 1215-16th Street, Sacramento, until _____, 1955.

To be considered, the equipment must meet the following specifications: Bulldozer, D-7 or greater; angle blade of at least 12 feet.

The contractor shall inspect the site of the work before submitting a bid and have full knowledge of all facilities and conditions affecting the performance of the work. Only an hourly rate shall be considered in awarding the contract. All work must be done in a manner satisfactory to the State. The General Conditions of the contract attached and made a part hereof shall apply.

The State reserves the right to reject any or all bids.
