John Alden, Accounting Officer

Region II

Upper Truckee Stream Improvement Program
W.C.B. Project - G128

Enclosed is a preliminary report from the title company on Section 20, Township 12 North, Range 18 East, M.D.B. & M.

NOTE C on the last page of the title report:

We have made up a quitclaim deed for Francis McGovill and are now in the process of trying to locate this party. At the present time, his whereabouts is unknown.

The agreement and easement for the purpose of conducting fisheries habitat improvement work on the Upper Truckee River is also enclosed for your approval. If it is in order, would you please take the necessary steps to have it approved by the Department of Finance so that we can proceed as soon as possible with this project.

If all the paper work is cleared, we hope to start this project as soon as the spring runoff of water is down. Due to the large snowpack in the Truckee River area, we are not going to get in there as soon as we had planned.

J. B. McKusick
