SUNDANCE
LICENSED GENERAL ENGINEERS
P. O. Box 152
Al Tahoe, California

March 27, 1961

Mr. Jim Leamon
Department Fish and Game

Dear Jim,

Would you please place this company (Sundance) on the bidding list for any projects that your department contemplates in the future?

In particular the upper Truckee erosion problem.

You will note this company carries a General Engineers License and has all necessary heavy equipment to do the job.

Thank you,

Sincerely,

(s) Donald Wylie
